2:00 to 9:00 PM

**Santa Monica Civic Auditorium
1855 Main Street

This very successful show will feature over 100 manufacturers of architectural and commercial lighting products. Those attending last year agreed it was an excellent opportunity to see the wide range of products on display and speak with representatives from the manufacturers and their local agents.

The show is designed to present the latest in lighting products to electrical engineers, architects, lighting consultants, interior designers and electrical contractors.

Admission and food are FREE! Parking will be validated.

If you can only make it to one IES Meeting this year, **THIS IS THE EVENT! Don't miss it!!** Map to the event can be found on the website @ www.iesla.org.
