

# Los Angeles Section of the Illuminating Engineering Society 21st Annual Wally Whitney Memorial Product Fair

**Date: Tuesday, February 23rd, 2016**

The Illuminating Engineering Society Los Angeles Section is proud to bring you another popularly received Lighting Product Show. We will be returning to our successful location--the historic Shrine Expo Center, 700 West 32nd Street, Los Angeles, CA.

This year the Show will be on Tuesday, February 23, 2016, opening to guests at 2 pm, and closing at 9pm (move-in and move-out same day, starting at 9am). As in years past, there is Free admission, parking, and food for all.

Our separate sign-up form will give you all of the information. Space is based on a "first come, first serve" basis. Last year, we were sold out before the end of the year.

Manufacturers need to register through their local sales representative if they have one. The maximum number of booth spaces available per representative is 10. Representatives should list the complete name of each manufacturer to which a space is to be assigned (for proper signage).

*Payment must be received by January 29th, 2016 to insure your reservation.*

With the success of this event, we are funding the IES Los Angeles Section Student Education Fund, which consists of the Saul Goldin Memorial Internship Program and the Russell Cole Memorial Design Competition. These education programs have been redesigned to offer diversified opportunities to Southern California students from the design community who are interested in pursuing lighting studies.

We look forward to your participation and another successful event. Send in the separate sign-up form and payment as soon as possible to reserve your space. Checks must be payable to "IES Los Angeles Section," as indicated on the sign-up form... (sorry, we cannot accept credit cards for registration).

Please feel free to contact Allan Weaver ([allanweaver@earthlink.net](mailto:allanweaver@earthlink.net)), or Francesca Terzano ([ftiesla@gmail.com](mailto:ftiesla@gmail.com)) with any questions...
